

TRANSFER CREDIT REQUEST

From your Student Center page, click on “other academic...” and select **Transfer Credit Request**.

The screenshot shows the Student Center interface. At the top, there is a 'Student Center' header. Below it, the 'Academics' menu is expanded, showing options like Search, Plan, Enroll, Grades, My Academics, Order Official Transcript, and LearningStudio (eCollege). A message box states 'You are not enrolled in classes.' To the right, there are sections for 'TCU Class Search', 'Holds' (No Holds), 'To Do List' (No To Do's), and 'Enrollment Dates' (Enrollment Appointment for the 2015 Spring Term). At the bottom, the 'Path to Graduation' section has a dropdown menu with 'other academic...' selected, indicated by a blue arrow pointing to it.

- Select the term from the dropdown. Answer the questions that follow, including a statement on the courses or requirements you want approval to take at another institution. Here is a link to a useful transferability tool: <https://coursetransfer.tcu.edu/> **Note: the tool is a guideline, not a guarantee of any sort that if you find a class there, it will be accepted.**

- If needed, enter the course title. Paste in the course description, and answer the remaining questions. Make sure the course description gives adequate information to your approver. For example "An intro to micro economics" is not adequate as a description for a lower level ECON class that you want to take elsewhere. You will need to find a short paragraph from the institution where you plan to take the course and paste it in.
