	30000-level elective	30000-level elective
	30000-level elective	Elective
	Elective	Elective
NOTE: Several of these categories may overlap. For example, an RT course is likely to also count for HUM credit, and could also count towards your minor.		
*Look at the schedule of upcoming History Major Seminars on the department website, and plan ahead for the region you are interested in. During your second year, try to take at least 1 survey and 1 upper-level course related to that region.
